

# Activation Guide for Your Tablet

## **Step 1: TURN OFF original tablet.**

Turn off your original tablet and remove the SD card.

## **Step 2: ACTIVATE replacement tablet.**

- o *Before turning on your replacement tablet, call **1.877.807.4646** and follow prompts to activate it.*
- o Have your Customer Receipt handy, as you will be asked to confirm information from it. The “mobile number” assigned to your tablet can be found on your Customer Receipt.

## **Step 3: SET UP replacement tablet.**

Insert SD card, charge, then turn on replacement tablet.

Refer to the manual included with your original tablet or visit [verizonwireless.com/support](http://verizonwireless.com/support) for additional support.

**Once Step 3 is complete, your replacement tablet is ready for use.**
