**IMPORTANT NOTICE TO POLICYHOLDERS – TERRORISM RISK
INSURANCE ACT OF 2002**

You are hereby notified that, under the Terrorism Risk Insurance Act of 2002, as amended, we must make terrorism coverage available if your policy covers commercial property. However, the actual coverage provided by your policy for acts of terrorism, as is true for all coverages, is limited by the terms, conditions, exclusions, limits, other provision of your policy, any endorsements to the policy and generally applicable rules of law.

Any terrorism coverage provided by this policy may be partially reimbursed by the United States Government under a formula established by Federal Law. If applicable, under this formula, the United States Government will pay 85% of covered terrorism losses exceeding a statutorily established deductible paid by insurers until such time as insured losses reach the \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses. If that occurs, your coverage may be reduced.

You will not be required to pay a premium for terrorism coverage at this time. If a premium is going to be charged for terrorism coverage, we will provide you with advance notification of what that premium will be.
