4. **Freedom Phone Protection Plan Contract.** These terms and conditions together with the applicable portion of Your monthly bill (“**Bill**”) from Freedom Mobile, the program welcome letter, and the current list of Eligible Wireless Products and their Tiers govern the Freedom Phone Protection Plan and constitute Our contract with You (hereinafter the “**Freedom Phone Protection Plan**” or “**Contract**”). Please keep a copy of these documents for future reference. This Contract and Your Freedom Mobile Service Agreement with Freedom Mobile are, and shall remain, separate agreements, but in order to maintain service under this Contract, You must also maintain Your wireless service with Freedom Mobile in good standing and be financially current on Your Freedom Mobile account. The Freedom Phone Protection Plan is not eligible to participate in any service credit programs offered by Freedom Mobile from time to time unless specifically stated. If any portion of this Contract is deemed invalid or unenforceable, it shall not invalidate the remaining portion of this Contract. Your Freedom Mobile wireless device number for the Covered Equipment is Your Contract number. This Contract is purchased in and governed by the laws of the province identified in Your billing address in the records of Freedom Mobile and the federal laws of Canada applicable therein. You may cancel the Freedom Phone Protection Plan at any time without penalty or obligation for future monthly fees.
5. **Definitions.** (1) “**Covered Accessory(ies)**” means the following Accessories used with the Eligible Wireless Product: one standard battery (attached to wireless device) and one standard charger. The International Manufacturer’s Equipment Identification (IMEI), Electronic Serial Number (ESN), or Mobile Equipment ID (MEID) of the Eligible Wireless Product associated with Your account in the record of Freedom Mobile at the time Your coverage initially becomes effective and for which airtime has been logged indicates the Eligible Wireless Product to be considered Covered Equipment unless You have used a different Eligible Wireless Product on Your mobile number immediately prior to the time of Failure, in which case the Covered Equipment is the Eligible Wireless Product (i) which You have used on Your mobile number immediately prior to the time of Failure; and (ii) for which You have provided a proof of purchase or lease to Us. (3) The “**Freedom Phone Protection Plan**” means the service warranty program described in this Contract. (4) “**Effective Date**” means the date Your request for enrollment is received by Us or Our authorized representative according to Our records. (5) “**Eligible Wireless Product(s)**” means the wireless devices that We have designated as eligible for coverage or repair under the Freedom Phone Protection Plan Contract and are set forth by Us in the list of Eligible Wireless Products, along with the applicable Tier for each Eligible Wireless Product, which can be found at www.phoneclaim.com/FreedomMobile, in Freedom Mobile stores, or by calling 1-877-632-0463. (6) “**Failure**” means (i) if You activated Your Freedom wireless service in Saskatchewan, Québec, or Newfoundland and Labrador, and in the usual and customary usage of the Covered Equipment, the Covered Equipment malfunctions or fails to operate due to a defect in parts or workmanship after the manufacturer’s warranty period has expired, or where the **Covered Equipment has suffered accidental or liquid damage**; or (ii) if You activated Your Freedom wireless service in any other province, and in the usual and customary usage of the Covered Equipment, the Covered Equipment malfunctions or fails to operate due to a defect in parts or workmanship after the manufacturer’s warranty period has expired, or where the device suffers accidental damage, including but not limited to cracked screen or liquid damage. 6. **What Is Covered.** If the Covered Equipment suffers a Failure during the time this Contract is in effect, We will repair or replace the Covered Equipment. If a Failure affects or involves a Covered Accessory in conjunction with the Failure of the Covered Equipment, or if the Covered Equipment is replaced with a different model, We will also replace the Covered Accessory(ies). Failures due to defects in material and workmanship during the term of the manufacturer’s warranty period are not covered under this Contract; such repair or replacement needs should be submitted through the Freedom Mobile Warranty and Repair program. Covered Equipment will be repaired or replaced with a wireless device of like kind and quality with features and functionality comparable to those of the Covered Equipment. THERE IS NO ASSURANCE, REPRESENTATION, OR WARRANTY THAT ANY REPLACEMENT EQUIPMENT WILL BE IDENTICAL TO OR OFFER THE SAME FUNCTIONALITIES AS THE ITEM BEING REPLACED. REPLACEMENT EQUIPMENT WILL BE NEW OR REFURBISHED, IN OUR SOLE DISCRETION. The Replacement Equipment sent by Us to You immediately becomes the Covered Equipment. If We replace Your equipment under the Freedom Phone Protection Plan, We reserve the right to take possession and ownership of the claimed Covered Equipment upon which You submitted Your claim. You hereby assign to Us all rights and benefits of any manufacturer’s warranty or other ancillary coverage related to any Covered Equipment that We replace. In the event that Your Replacement Equipment or Repaired Equipment fails to function due to defects in parts or workmanship during its twelve (12) month warranty period, We will replace it at no cost to You. Such service will not be charged against Your twelve (12) month service limit under the Freedom Phone Protection Plan.
7. **Changes to the Freedom Phone Protection Plan and This Contract.** You agree to all the provisions of this Contract when You request enrollment in the Freedom Phone Protection Plan and/or pay for it. We may change the monthly charge for the Freedom Phone Protection Plan, the administration of this Contract, or this Contract’s terms and conditions from time to time upon at least thirty (30) days’ written notice to You. Such notice may be provided in a Bill insert, as a message printed on Your Bill, by email, in a separate mailing, or by any other reasonable method, at Our discretion. Your continued use of the Freedom Phone Protection Plan and payment of the applicable charges, after the effective date of any notice of change to the Freedom Phone Protection Plan, constitutes Your acceptance of the change(s). You may refuse the change(s) and the amendment to the Freedom Phone Protection Plan terms and cancel this Contract without cost or penalty by sending Us a notice to that effect any time prior to the date the change becomes effective.
8. **Contract Service Period.** Your service benefits under this Contract begin on the Effective Date and continue month to month until terminated by You or by Us in accordance with the Cancellation section (Section 15) of this Contract and subject to the Service Limits section (Section 12) of this Contract as detailed below.

Applicable Replacement Service Fees, non-covered failure charges, shipping and restocking charges, taxes, and regulatory surcharges and assessments, if any, may apply prior to Our providing Replacement Equipment. Charges and/or additional fees may be found at www.phoneclaim.com/FreedomMobile. If You change Your device, Freedom will automatically update Your applicable monthly fee. YOU MUST FILE THE SERVICE REQUEST WITHIN THIRTY (30) DAYS OF THE FAILURE. If Your service request is approved, We will ship the Replacement Equipment for next business day delivery, where and when available. If Your device is eligible for repair, service will be provided as soon as the same day, where and when available. WE MAY REQUIRE, AS A CONDITION OF APPROVAL OF YOUR SERVICE REQUEST, THAT YOU PROVIDE PROOF OF PURCHASE OR LEASE FOR THE COVERED EQUIPMENT AND/OR YOUR GOVERNMENT-ISSUED PHOTO I.D. OR OTHER DOCUMENTATION OR INFORMATION AS REASONABLY NECESSARY TO ESTABLISH YOUR RIGHT TO SERVICE. We also retain the right to inspect the Covered Equipment as a condition of approval of Your service request.
11. **Collection of Replacement or Repair Service Fee.** The nonrefundable Replacement Service Fee, determined by the Tier of Your Covered Equipment as outlined above, plus any applicable taxes, applies to each approved replacement. The Replacement or Repair Service Fee will be collected from You prior to providing replacement equipment or authorizing repair service. The Replacement or Repair Service Fee does not apply to Replacement Equipment or Repaired Equipment that suffers from defects in parts or workmanship during the first twelve (12) months after You receive such Replacement Equipment or Repaired Equipment from Us.
12. **Service Limits – Twelve (12) Month and Per Service Request Limit.** We will cover the cost to replace or repair the Covered Equipment up to a maximum of **\$3300.00** per service request **depending on Your Tier** as outlined below. In addition, beginning on the Effective Date, the Freedom Phone Protection Plan Contract will cover up to, but not more than, two (2) completed service requests, whether replacement or repair or any combination thereof, of Covered Equipment during any twelve (12) month period. Service limit does not apply to replacement of Replacement Equipment We send to You or Repaired Equipment that suffers from defects in parts or workmanship during the first twelve (12) months after You receive such Replacement

Equipment or Repaired Equipment from Us. The Covered Equipment We replace becomes the property of Freedom Mobile and You hereby assign to Us all rights and benefits of any manufacturer's warranty or other ancillary coverage relating to any Covered Equipment that We replace. If We do not receive Your claimed equipment within fifteen (15) days, You will be charged a non-return equipment fee up to **\$1500.00** plus any applicable taxes.
