

Sprint Complete

Equipment Replacement Insurance Program (ERP) Equipment Service and Repair Service Contract Program (ESRP)

This device schedule is updated regularly to include new models. Please check this document any time your equipment changes and before visiting an authorized repair center for service. If you are not certain of the model of your phone, refer to your original receipt or it may be printed on the white label located under the battery of your device. Repair eligibility is subject to change.

Exceptions to \$29 Cracked Screen Repair Eligibility: The following equipment manufacturers are ineligible for cracked screen repairs: Alcatel, Essential, Kyocera, Motorola, Sonim and ZTE. Newly released models from Samsung, Apple, LG and HTC will be ineligible for cracked screen repair for up to 60 days post release. Smart watches including the Apple Watch are also ineligible for cracked screen repair.

In New York only, residents may separately purchase ERP insurance or an ESRP service contract, which contain the same ERP or ESRP benefits and fees as under Sprint Complete; depending on the device, ERP is available for \$1, \$3.75, or \$5 and ESRP is available for \$8.25, \$9.25, or \$12.

Tech Expert may be available separately for \$7/month.

The ERP insurance deductibles listed above apply to approved claims for loss, theft, and physical or liquid damage (excluding ADH). The ESRP service contract service fees above apply to Accidental Damage from Handling (“ADH”) and mechanical and electrical breakdown due to defects in materials or workmanship as a result of normal wear and tear.

Please note, if you are a TEP Plus customer who enrolled in coverage between 7/14/2018 and 9/13/2018, you will receive a \$2 credit towards your monthly premium from 9/14/2018 to 12/14/2018.

For approved claims, a repair or replacement device will be provided at our discretion. For repairs, you will be required to bring or mail your device to an authorized repair center. Remote repair options may be available at time of claim for select devices subject to parts and technician availability. Additional information on repairs is available at phoneclaim.com/sprint, which includes a list of eligible devices, types of repairable damage, and available select repair locations. Repair eligibility is subject to change. If you have an eligible device that is not repairable, a device that is ineligible for repair, there is not an authorized repair location available, or we decide that a replacement is necessary, you will receive a replacement device and be charged the replacement service fee. If you have a water resistant device, it may not be water resistant after repair. Repairs are typically completed in 5 business days. After your repair, your device will be of like kind and quality with similar features and functionality.
